Academic Progress

The Academic Progress portion of Poly Profile is intended for undergraduate students admitted as a freshman, with an admission term beginning as of Fall 2010, to assist in measuring the progress towards a degree. Kinesiology majors on the 2009-2011 catalog who have declared a concentration will not be able to view the Academic Progress gauge, but will still have a Degree Progress Report to assist in tracking the progress towards their degree. Students who are in a blended program (4+1); graduate program; have completed their undergraduate degree; or those who have a status of discontinued, dismissed, or leave of absence will not be able to view the information contained in the Academic Progress section or obtain a Degree Progress Report.
